APPLIED MECHANICS Conference

The traditional international meeting of young scientists and PhD students working in branch of mechanics.

Important Dates

November 13, 2017: Registration opens

February 11, 2018: Deadline for registration, and conference fee payment

March 18, 2018: Deadline for paper submission

April 9–11, 2018: Conference

Conference Venue

The AM2018 conference will be held at *Statek česká lípa*, Myslovice, which is located in western Bohemia near Klatovy city. This wonderful place offers congress rooms, restaurant, guesthouse and sport and wellness facilities.

Conference Topics

The subjects of the scientific contributions may include, but are not limited to the following topics: *dynamics, experimental mechanics, noise and vibrations, multibody dynamics, computational mechanics, biomechanics, fluid mechanics, mechatronics, strength of materials, creep, plasticity, fracture mechanics and fatigue, durability and reliability of engineering structures, structural mechanics.*

Local organization

The conference is organized by *Department of Mechanics, Faculty of Applied Sciences, University of West Bohemia* and is supported by *Czech Society for Mechanics* and *Central European Association for Computational Mechanics.*
